# ITC 2019 WELCOME

---

**Dr. Bilal El-Yafawi**  
Conference President

It is with great pleasure to invite you to join the “3<sup>rd</sup> International Trauma Congress” on the 13<sup>th</sup> – 15<sup>th</sup> of February 2019 at Le Meridien Hotel Dubai, United Arab Emirates.

After two very rich and successful versions, ITC is determined to continue covering the most up-to-date scientific and technical aspects, our exciting program of presentations, instructional lectures, case discussions and interactive sessions bring together an international congregation from the Middle East and beyond.

ITC 2019 Scientific agenda will allow participants to get up to 23 CPD points attending conference activities to be conducted by 32 international & regional speakers.

The congress promises to provide a global perspective to support a culture of excellence and best practice care in trauma management. For surgeons, researchers, nurses, students and other trauma professionals this is an ideal opportunity to interact with your peers, learn and benefit with the expertise of our distinguished regional and international speakers, as well as getting involved in outstanding projects and interesting cases.

Two days hands on cadaver workshop will also be available during the “3<sup>rd</sup> International Trauma Congress”.

Mark your calendar now and join us in vibrant Dubai on 13<sup>th</sup> - 15<sup>th</sup> of February 2019.
