ITC 2022

Welcome

Bilal El-Yafawi

Conference President

It is a great pleasure to invite you to the 6th International Trauma Congress on the 17th – 19th of February 2022, which will be held in Le Méridien Dubai Hotel, United Arab Emirates.

After five very rich and successful versions, ITC continues its mission to cover the most up-to-date scientific and technical aspects, our exciting program of presentations, instructional lectures, case discussions and interactive sessions brought together an international congregation from the Middle East and beyond.

ITC 2021 has been attended by over 2200 Participant between physical and online attendance. We also had the honor of hosting 33 international & regional speakers. The congress provided a global perspective to support a culture of excellence and best practice care in trauma management.

ITC 2022 will bring top notch international and regional experts in the field of orthopedic surgery. it will be a great opportunity for surgeons, researchers, nurses, students to interact with peers, learn and benefit with the expertise of distinguished regional and international speakers.

Looking forward to see you all in ITC 2022.
