ITC 2024

Welcome

Bilal El-Yafawi
Conference President

It is a great pleasure to invite you to the 8th International Trauma Congress on the 9th – 11th of February 2024 and will be held in Le Méridien Dubai Hotel, United Arab Emirates.

After 7 very rich and successful versions, ITC continues its mission to cover the most up-to-date scientific and technical aspects, our exciting program of presentations, instructional lectures, case discussions, and interactive sessions brought together an international congregation from the Middle East and beyond.

ITC 2023 has been attended by 1310 Participants attended in the congress venue. In addition to 150 surgeons trained on cadavers with 10 cadaveric workshops. We also had the honor of hosting 55 international & regional speakers. The congress provided a global perspective to support a culture of excellence and best practice care in trauma management.

ITC 2024 will bring top-notch international and regional experts in the field of orthopedic surgery. It will be a great opportunity for surgeons, researchers, nurses, and students to interact with peers, and learn and benefit from the expertise of distinguished regional and international speakers.

ITC has been always the best exposure opportunity in the region for industry partners. It's the congress that can't be in your 2024 plan.

Looking forward to your participation in ITC 2024!
